DATA

Mandatory
Minimum of 0 items (Cardinality: 0..*, unordered)

| at0028::**Functional impairment**
T Coded Text
Optional | * | • at0029::No longer fully independent [The patient is no longer fully independent in relation to the basic activities of daily living.]
• at0030::Fully Independent [The patient is fully independent in relation to basic activities of |

daily living.]

at0031::Investigations
T Coded Text
Optional

*

- at0032::Normal Dementia screening bloods [Blood tests screening for other causes are normal.]
- at0033::Abnormal Dementia screening bloods [Blood tests indicate other causes.]

at0034::Assessment
Cluster
Optional, repeating
(Cardinality: 1..*, unordered)

*

at0004::What year?
Ordinal
Optional

Did the patient recall the year correctly?
Comment: Original form: '1. What year is it?'

0: at0005::Correct [Patient recalled the year correctly.]
4: at0006::Incorrect [Patient did not recall the year correctly.]

at0007::What month?
Ordinal
Optional

Did the patient recall the month correctly?

0: at0008::Correct [Patient recalled the month correctly.]
3: at0009::Incorrect [Patient did not recall the month correctly.]

at0010::About what time?
Ordinal
Optional

Did the patient recall the time correctly (within 1 hour)?

0: at0011::Correct [Patient recalled the time correctly.]
3: at0012::Incorrect [Patient did not recall the time correctly.]

at0013::Count backwards
Ordinal
Optional

Was the patient able to count backwards from 20 to 1 correctly?

0: at0014::No errors [Patient was able to count backwards from 20 to 1 with no errors.]
2: at0015::1 error [Patient made 1 error when counting backwards from 20 to 1.]
4: at0016::more than 1 error [Patient made more than 1 error when counting backwards from 20 to 1.]

at0017::Months in reverse
Ordinal
Optional

Was the patient able to say the months of the year in reverse correctly?

0: at0018::No error [Patient was able to say the months of the year in reverse with no error.]
2: at0019::1 error [Patient made 1 error when saying the months of the year in reverse.]
4: at0020::more than 1 error [Patient made more than 1 error when saying the months of the year in reverse.]

at0021::Repeat address phrase
Ordinal
Optional

Was the patient able to correctly recall the 5-part address phrase given to them earlier?

0: at0022::No errors [Pstient was able to recall the 5-part address phrase given to them earlier with no error.]
2: at0023::1 error [Patient made 1 error when recalling the 5-part address phrase given to them earlier.]
4: at0024::2 errors [Patient made 2 errors when recalling the 5-part address phrase given to them earlier.]
6: at0025::3 errors [Patient made 3 errors when recalling the 5-part address phrase given to them earlier.]

8: at0026::4 errors [Patient made 4 errors when recalling the 5-part address phrase given to them earlier.]
10: at0027::5 errors [Patient made 5 errors when recalling the 5-part address phrase given to them earlier.]
